

## *The South County Spotlight* **Pet of the Week**

*Columbia Humane Society in St. Helens currently has wonderful pets available for adoption. You can visit the shelter located at 2084 Oregon Street, Monday through Saturday from 11 a.m. to 5 p.m.*

Poor Honey found herself at the shelter because her owners were moving out of town and decided not to take her along for the trip. Honey is a very sweet, kind and family loving dog. Honey is house trained (will bark when needs out), knows basic commands and is full of love. Her last home also had two cats so she is used to living with cats and enjoys their company. Honey is a little on the "heavy" side and can use some exercise and healthy eating habits. Is leash trained and is trusted off leash by her last owners. If you are looking for a nice dog who can be part of your family please take a moment to visit with Honey you will not be disappointed.
